With Autofocus

Always in Focus, Just Like You

Stay sharp and effortlessly in focus with SC26C's built-in auto focus.
Whether you're moving, or adjusting your posture, the camera
continuously tracks and fine-tunes your image for maximum clarity.
Say goodbye to blurry moments and let your presence shine—clearly and confidently.

Bringing voices clear, together

Built-in dual-microphone array can instantly detect audio from up to 4 meters away, the SC26C can deliver clear sound and making it an ideal choice for collaborative environments.

2D/3D Noise reduction

Enjoy clear, vibrant visuals even in low light—SC26C's smart 2D & 3D noise reduction gently smooths away grain, bringing every image to life with clarity and charm.

Get started effortlessly

The SC26C quickly connects using the included Type-C cable to start your conference in seconds thanks to a simple plug-and-play design.
No extra adapters or drivers required.
